## International Music Day in BKPS

International Music Day, Music unites us all, Harmony of Voices, Passion for Music, Music is life and many more shout outs fall true for music. It was an incredible day of music and harmony. Everyone came together to celebrate the universal language – Music, that connects us all.

As the gushing rain hits Pune, the atmosphere around drapes itself into the melodies and gears the individual to dance, enjoy, explore. Welcoming the sweet song of rain, Blue Ridge Public School celebrated the monsoon with the moves and melodies of the children. On account of International Music day, there was a full-fledged celebration of solo dance and solo singing competition all over for the students of class I to XII.

As we know, music binds our soul, heart and emotions. Music and dance is the best method of relaxation. It cheers the spirit and lightens the heart. In fact, through singing children learn to express their feelings and ideas. There was an excellent stage show by our young musicians, from soulful Hindustani Music to upbeat pop, the air was filled with an electrifying energy that set our hearts on fire. The passion and talent displayed by the

students was simply awe-inspiring. Their dedication and hard work was evident in every note they sang, leaving us all awed of their musical valor.

The stage was alive with vibrant performances, stunning choreography and the joyous spirit of collaboration. Our students showcased not only their vocal talents but also their impeccable showmanship. The incredible Alumni students graced the occasion as esteemed chief guests. Their rocking performance left the arena spellbound, no words to describe the inspiration they imbibed among the youngsters.

The solo singing and solo dancing competition with the theme 'Moves and Melodies' was organized in the auditorium for the students selected for final round. True to the theme, the vivacious dancers and the melodious singers set the floor on fire with their energetic performances and their graceful moves.

The principals of Blue Ridge Public School, Ms. Surinder Kaur Sayan (Principal –Secondary and Jr College) and Ms. Sharmila Kadam (Principal-Primary section) addressed the students to keep the rhythm of music alive, as music has the power to uplift our spirits, inspire us and bring us close together. The celebration was concluded with the beautiful message,

“Let the music in our heart shine bright!”
